

69%

of 35-54 and **81%** of 18-34 year olds look online first for local business information.
~ ComScore Networks

90%

of Internet users research online to find local products and services.
~ BIA/Kelsey and ConStat

74%

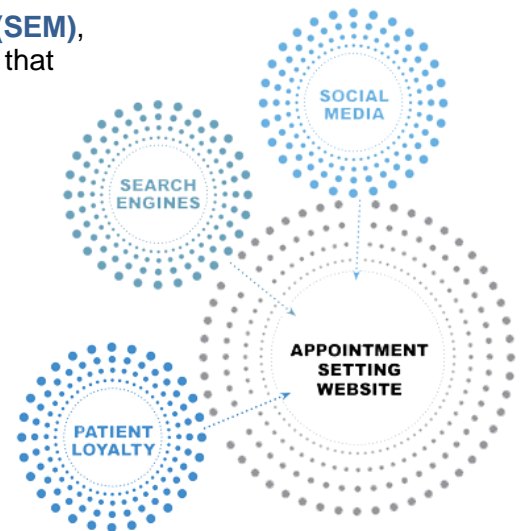

of consumers are more likely to use a local business if a social networking connection recommends it.
~ ComScore Networks

- ⊕ Your dental practice can no longer rely on just having a phone book listing or a static web page.
- ⊕ Dental professionals need a **dynamic and full-featured online solution** that will help grow their practice, provide convenience for patients, and display what sets them apart from the competition.

At dentimark, we create a combination of **Search Engine Marketing (SEM)**, **Social Media Marketing**, and **Patient Loyalty-building Techniques** that individually customized based on the needs of your practice.

Simply put, we help our dentists:

- ⊕ **Get Found & Get Noticed**
- ⊕ **Increase Patient Acquisition & Retention**
- ⊕ **Build Your Culture & Patient Loyalty**
- ⊕ **Build Word of Mouth Around Your Practice**
