### What Our Customers Are Saying

"Since my Google Pay-per-Click campaign went live three months ago, my phone hasn't stopped ringing! I love all the new business Gannett Local has brought in for me and plan to be a customer for a long time."

"We recently started Google Maps for Isley's Home Services, and within 30 days, our company is listed on the first page at letter D! Our involvement with Gannett Local is starting to pay off tremendously."

"I would like to thank Lynda for the help she gave me promoting this event. The turnout was good and we have had many new people come to the store since. I think the advertising really paid off!"

"Since implementing Google Maps, we are now on the first page of major search engine results for several popular keywords and phrases. Best of all, we have seen the number of calls and potential clients increase."
